

# “Hatchet” Camp

Students who are incoming fourth through incoming eighth graders are invited to join Mercer’s summer school program “Hatchet” Camp! After arriving at Mercer School each morning, we will head out to the school forest. Students will be spending their mornings out at the school forest reading the novel “Hatchet” and learning about a variety of wilderness survival skills as well as learning about environmental education. Each week has a different focus. All focuses will be intertwined with exciting activities. Class is from 8-12 / M-Th. Students have the option of going to the summer recreation program afterwards (until 4pm). Parents please let Ms. Duensing know if your student will be joining the summer rec program also.

Week 1 - June 7-10 Reading and Writing

Week 2 - June 14-17 Math

Week 3 - June 21-24 Problem solving

Activities may include: Building a solar oven, orienteering, wilderness art, building a fire, and more.

The program will need 10 students enrolled in order to be held. If you have already completed this form, no need to send in another one.

Forms due to office by Wed., May 19th
